. Army, Border Guard, and Trudovak units in the Pleven area -ulgaria 2. Factories and other installations in the Pleven area An unidentified is located in Playen in a three-story building situate 25X1 in the vicinity of Svoboda Square adjacent to a dispensary; a small runs TEXEST in the vicinity. In A sign at the entrance of this building reads Okruzhno Voenno Upravaenie (Okrug Military Directorete). Subordinate to this directorate are all units in the Bleven area. This command is subordinate to a command located in Ploydiv. 2. An unidentified motorised infantry regiment (motorisevant pekhota) is lowated in Pleven in the barracks formerly occupied by the 4 Rifle Regiment situated in the 9th Rayon of Pleven in the area south of the city square. (See No. 1, an Sketch). The barracks consists of a single four-minary story square building with an interior court. It covers an area approx 300×300^{25} X1 meters in size and is surrounded by a wall. The regiment has a strength of 1,000. the units going to this building for training with ligh 25X1 weapons (rifles, carbines) was sub-machine guns carried on trucks believe 25X1 25X1 to be of Soviet production.of unknown model) 3. A heavy artillery regiment is located in Pleven in the barracks situated in Bayon no. 9 on the north side of the city park (No. 2, Sketch). The 25X1 barracks area consists of a number of buildings The strength of the regiment was estimated at 600 men. 25X1 regiment 25X1

	outskirts of Pleven approx 1 km from the city park in the immediate vicinity	
• _	of the munétipal prison (No. 6, Sketch).	25)
		25)
. !	The military hospital of Pleven is located in the eastern suburbs of the	•
	city of Pleven adjacent to the civilian hospital and a short distance from	
	the barracks where the trudovak unit is located. (The military hospital is	
	shown as No. 7 and the civilian hospital is shown as No. 8 in the Sketch).	
	This is a bery large building constructed many years ago and poorly maintained.	
		25)
	only military personnel of the Pleven command were	25
L	quartered here.	
	A refresher and advanced training school for antiaircraft artillery officers	
	was sounded about 1954 in Pleven and in Becember 1955 was moved to Plovdiv.	
	It is located in the barracks formerly occupied by the antiaircraft artillery Refresher and advanced regiment described above. /Courses were given at this school for low-ranking	
	officers of the antiaircraft artillery. The course lasted three months. The	
	director of the school and of the courses was senior autiliaryxragiments	
	lieutement of antimircraft artillery Stefan Benkov who was sent on leave	
	at the same time as the school was transferred to Plovdiv. Prior to	
	occupying the position as director this officer had in his time frequented	
	a special course in 1954 at an unidentified place in Ploydiv.	
9/		25)
	artillery is located in Stalin.
